

# My special place.

John 19#

I live right where the black arrow is. This is my special place because all of my big family have their own homes and we go there every weekend of every summer. It is also my special place because it is in Michigan and also Magician witch is the

biggest lake in sister lakes. Sister lakes were made 1848. It's my favorite place to go when you have nothing to do. And if you don't have a house there sandy beach resort (where the red arrow is) is the perfect place to go.
