Class that worked on the project: Fifth grade

Name of your school: Gymnasium School “Nicolae Tonitza”

City, state, and country your school is located: Constanta, Constanta, Romania

One-sentence description of project

Students will tell to the participants of our International Learning Circle about their readings and new places they discover.

Questions:

1. Why do we read?
2. List at least 2 books that our students read in the last year. (make some photos)
3. Who is describing the cronotop?(time and space) Why?
4. How does the space look like? It is important to the character?
5. How we, as a reader, can transform the space from the book?
6. What book do you recommend to read? Why?(in a short sentence).

Why do we read?

- the book is interesting, attractive

my brother recommended me

- the title of the book and the cover gave me curiosity

Why do I choose the book?

- the right reading for my age

- I like the horror books

- I like the action books

I like to read scary books because there are a lot of magic and fantasy.

I'm fond of horror books because they're scary. They give me goosebumps. They're very interesting.

Anna

I like to read scary novels because I like romance.

I like to read scary books, because they make me shiver, and I always fall asleep under them. I love reading horror stories.

Milena

1. What books do you like to read and why?

I like to read adventure books and **ANIME**, because they full of adventure and **MAGIC**!

I'm fond of reading adventure books because: they're exciting, touching, amusing and educational; they're full of touching moments, magic and amusing situation; they make me laugh, relax, forget about my problems; they teach me to understand others, solve my problems.

Dominika

I'm fond of reading adventure books and horror stories because: they're **touching, exciting** and **scary**; they're full of **exciting moments** and touching situations.

Ilia

Why do we read?

We think that reading is very important because it makes us clever and intelligent, it develops our imagination, it helps us get different knowledge, relax and forget about the problems of the day. We read

- > for doing homework and getting good marks;
- > for pleasure and enjoyment;
- > for learning news;
- > for information and for learning how to make something.

Why do we read

- *We all read for different things like (fun/enjoyment, a escape, and a place).
- *Vanessa is in love with the sires land of stories.

I read Uncle Fedor, a Dog and a Cat. It's an adventure and humorous story. It is about a boy who goes to the village Prostokvashino. I like this book because it teaches me to live alone.

I read Neznayka in a Sunny town. It's a humorous and fantasy story. I like this book. This book give good examples.

This book teach me:

to make friends

to speak to people

to survive

to understand others

This is a fairy tale about the adventures of Neznayka and his friends

I read Neznayka in a Sunny town.

Good books

Let's focus on a book we haven't talked about Ellie's story this book is based on a dog but lets take about the environment, the environment its a key to a book but in this book the environment is mostly outside but also in side when she gets adopted so its two different environments but that's ok sometimes more is better, but the environment is always in the character like a dog live in a desert that do any sense so when/if you story make sure it make

2. List the books that you like and why?

I read manga Attack on Titan it is fantasy and adventure story. This story is about a boy Eren. He wanted to revenge for his mom. This story teach me to solve my problems.

I read the book The Day of Eternal Nightmare. This book is about two boys Sergey and Pasha and one girl Katya. The guys climb into an abandoned camp, which soon comes to life. But it is not the strangest thing. The strangest thing is that in this camp every day is absolutely the same as the previous one. Sergey and Katya forget who they are and only Pasha remembers everything. The guys live there for two days, and then they manage to escape. When they return, their camp is the same, and their friend Stepan says that there are only fifteen minutes away.

Milena

I recommend Elle's story the book we just talked about, because it's a really good story and when you get into it it's hard to get out there's more than one thing's purpose story.

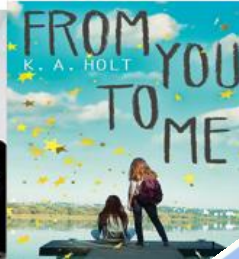

Why do we read?

We read to gain knowledge. Books give us good information and some give us a new world. Some books you may fall in love with. Others maybe not so

Books that students read.

Some books students at my school have read recently are

- Walk two Moons
- Five Feet Apart

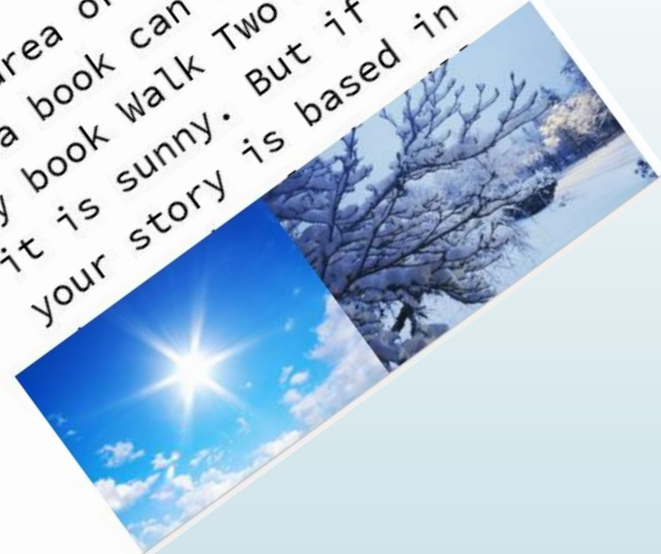

- The school is modern, with glass doors
 - a magical world that allows us to overcome our emotions
 - quiet neighborhood, fruitful garden
 - the home of an animal where it feels safe
 - the poor house helps Charlie overcome his condition
 - the yard is specific to the characters
- better highlights character style

How does the space look like? 😊

Who is telling the story? How does the area look?

Usually with books that I read the characters are telling the story. The do this so you can learn more about one character.

The area or environment of a book can range. In my book Walk Two Moons it is sunny. But if your story is based in

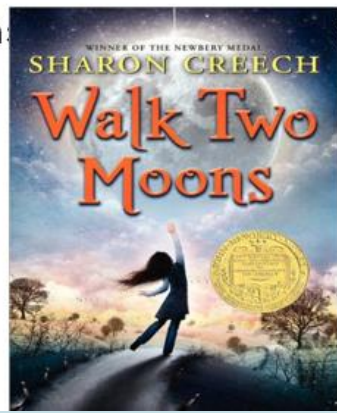

I recommend:

Micul Print - Little Print

Harry Potter și piatra filozofală zâmbeste
Harry Potter and the Philosopher's Stone Smile
Jurnalul unui pașă Minunea
A kid diary The Wonder
Hanul pungașilor, insula roboților
The thiefs in, The robots island
Dany, campionul lumii
Dany, the world champion
Pinguinii domnului Popper
Mr. Popper's penguins
Școala fricoșilor Tabăra
The scared school The camp

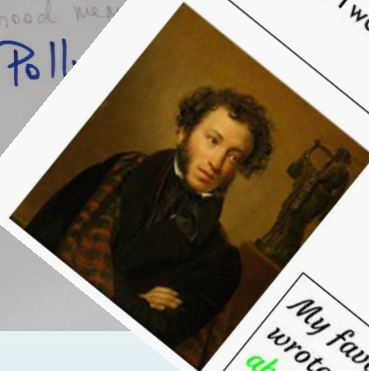

What book do I recommend? Why?

A book that I recommend is Walk Two Moons. It is by Sharon Creech and has won a Newbery Medal. I recommend this book because it has a lot of detail. It is also interesting and has many twists. It is happy and sad too.

3. Who is your favourite writer?

My favourite writer is **Mark Twain**. He wrote about **adventures** of **Tom Sawyer**. Mark Twain is from **the USA**.

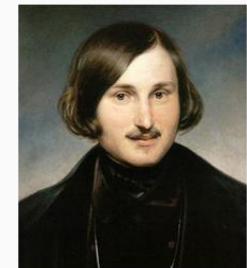

My favourite writer is **Pushkin**. He wrote **poems**, **fairy-tales** and **stories** about **animals**. Pushkin is from **Russia**.

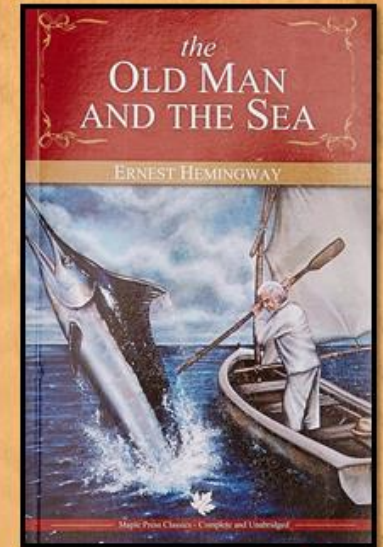

My favorite writer is **E. Uspensky**. He wrote friendship stories. He is from **Russia**.

My favourite writer is **Gogol**. He wrote horror stories. The writer was born in **Ukraine**. **Milena**

We recommend you to read these two books because they are very interesting, exciting. "Harry Potter" is full of fun, mystery and magic. The book "The Old Man and the Sea" is full of adventures, emotions and beauty of nature.

THE END
